

NRAA MEMBERSHIP

A *great value* for your investment of time!

The National Renal Administrators Association (NRAA) has served the dialysis community for over 30 years providing members with national advocacy, specialized resources, and leadership opportunities. We have a diverse membership coast to coast and continue to offer many valuable services to our Active Member companies.

The NRAA continues in a unique position to advocate and create visibility for the independent and hospital based providers that tend to be small dialysis organizations (SDO's) and medium size dialysis organizations (MDO's). We work synergistically with large dialysis organizations (LDO's) and MDO's when our goals align and recognize that credibility is gained when we speak with one voice. NRAA is an active member in the Kidney Care Partners (KCP) as a representative for independent dialysis providers. The NRAA is committed to working closely with the Kidney Care Council (KCC) on issues impacting ESRD providers. We also provide an excellent opportunity for LDO's to educate our national membership about their products, services, and companies. We're here to help you successfully operate your dialysis facility and provide the highest quality care to the patients you serve. Below are the many benefits NRAA members receive. Come join us today!

1. LEGISLATIVE / GOVERNMENT AFFAIRS

- Advocacy for the highest quality patient care and innovative treatment
- Collaborate with renal community for fair, equitable legislation and public policy
- Coordinate "grass roots" and "day on the hill" efforts to amplify our message
- Facilitate CapWiz letter writing service for congressional contact
- Receive Renal Watch weekly legislative e-mail newsletter
- Search for national leadership opportunities
- Participate in interactive Legislative teleconferences
- Work with CMS

2. EDUCATIONAL / PROFESSIONAL DEVELOPMENT

- Attend professional conferences / CEU's
- Use web casts on timely subject matter for your listening convenience
- View networking opportunities for the renal professional
- Access "members only" section on NRAA website
- Obtain timely e-mail and action alerts
- Acquire expert analysis on industry issues
- Share Comparative data
- Access the membership directory

3. FINANCIAL

- Group Purchasing through the Renal Purchasing Group (RPG)
- Receive member discounts on products and service
- Benchmarking

**We also offer Associate and Affiliate Memberships that share many of these benefits.*
